MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As per Regulation 34(2) (e) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis Report is as follows:

A. BUSINESS AND ECONOMIC ENVIRONMENT

India is one of the fastest growing major economies in the world. After registering GDP growth of over 7 per cent for the third year in succession in 2016-17, the Indian economy witnessed disruption in 2017-18 as the Govt pursued its reform agenda aggressively and recorded GDP growth of 6.7 per cent. Even with this lower growth, GDP growth has averaged 7.3 per cent for the period from 2014-15 to 2017-18, which is the highest among the major economies of the world. The growth achieved, in a milieu of lower inflation, improved current account balance and notable reduction in the fiscal deficit to GDP ratio, makes it all the more creditable. The central government has introduced several programmes over the past year, including ones to augment the ease of doing business, encourage digitalization, reduce skill insufficiencies, foster entrepreneurship and boost urban development. These deregulation measures, both current as well as foreseeable, have boosted Foreign Direct Investments (FDI), which registered a growth of 8 per cent in 2016-17 over the preceding year. Furthermore, other institutional reforms which are in various stages of execution, such as the Goods and Services Tax (GST), the commencement of NCLT under the Insolvency and Bankruptcy Code (IBC) and the Arbitration and Conciliation Act, are likely to be the significant contributors to the country's economic growth going forward. The acceleration of investment friendly policies, structural reforms and low commodity prices has provided a strong impetus for growth. India has improved its ranking in the World Bank's Doing Business Report by 30 spots over its 2017 ranking and is ranked 100 among 190 countries in 2018 edition of the report.

B. INDUSTRY STRUCTURE & DEVELOPMENTS

Tourism in India has witnessed steady growth over the past few years, aided by the rising purchasing power of the expanding middle class and the shift from foreign to domestic tourism. The Travel & Tourism industry has been a major contributor to the economic growth of India, and is fundamental in creating employment and generating income for both skilled and unskilled labour. The industry contributed 9.4% of the total employment (both direct and indirect) in 2017. The industry is expected to generate 13.45 million jobs across sub-segments such as Restaurants (10.49 million jobs), Hotels (2.3 million jobs) and Travel Agents/Tour Operators (0.66 million jobs). The Ministry of Tourism proposes to help the industry to meet the increasing Demand of skilled and trained manpower by providing hospitality education to students as well as certifying and upgrading skills of existing service providers. India's Travel & Tourism sector was also the fastest growing among the G20 countries, growing by 8.5% in 2017. Govt. has also made serious efforts to boost investments in the tourism sector by allowing 100% FDI through the automatic route. Further, grant of visa on arrival to nationals of more than 150 nations have contributed significantly in terms of growth of foreign tourist arrivals in the country. The country for the first time witnessed 10 million foreign tourist arrivals in 2017. The tourism and hospitality sector is among the top 10 sectors in India to attract the highest Foreign Direct Investment (FDI). During the period April 2000-March 2017, the hotel and tourism sector attracted around US\$ 10.14 billion of FDI according to the data released by Department of Industrial Policy and Promotion (DIPP). As per industry experts, midhotel segment in India is expected to receive investment of Rs 6,600 crore (US\$ 990 million) excluding land cost over next five years, with major hotel chains like Marriott, Carlson Rezidor and ITC planning to set up upscale, budget hotels in state capitals and tier-II cities.

While an assortment of influences had repressed the Indian hospitality sector's endeavors to grow from 2009 to 2016, the sector has finally woken up after a longish nap. During 2017, the nationwide occupancy was the highest since 2008, countrywide average room rates (ARRs) clocked a clear and measurable increase over several preceding years and the overall supply-demand scale is now tilted squarely in favor of growth in demand outpacing new supply. The rising purchasing power of the Indian middle class has aided the exponential growth of domestic tourism, and helped in narrowing the gap between lean and peak seasons. Further, today's discerning travellers do not shy away from spending on upscale or luxury hotels in such

PROVESTMENT SERVICES LIMITED

CIN : L74899DL1994PLC058964

destinations. The hospitality industry is now in its second year of the much-awaited up-cycle and, it is time for industry stakeholders and investors to grab the opportunity and boost performance. The markets are looking strong; the proposed supply is minimal and, demand is more than likely to continue growing.

C. OPPORTUNITIES AND THREATS

India's travel and tourism industry has huge growth potential. India is a large market for travel and tourism. It offers a diverse portfolio of niche tourism products -cruises, adventure, medical, wellness, sports, MICE, eco-tourism, film, rural and religious tourism. India has been recognised as a destination for spiritual tourism for domestic and international tourists. As per HVS Survey-2017, the expected future additional inventory in 11 major markets (across categories-only branded) is lower at around 57,000 rooms for the next 5 years. Therefore, with increasing demand on back of improvement in economic activities and lower room additions, major markets are expected to sustain/improve the ARRs going forward and grow at an average of 4.5% p.a. Also, the occupancy is expected to inch up to an average of about 66% by the end of FY21 compared with 63.4% in FY16. Accordingly, the hotel industry is expected to see an increase in revenue at the rate of about 11-13% CAGR over the 5 year period FY17-FY21.

D. SEGMENT-WISE PERFORMANCE

The Company operates in only one business segments - travel & tourism at New Delhi, there is no other segment apart from this.

E. OUTLOOK

India is today the fastest growing major economy in the world. With economy expected to grow at around 8% annually and the government's support to the tourism sector, the demand for hotels and other tourism infrastructure projects is expected to improve considerably in mid-term. The growth in India's tourism, infrastructure, industrial/manufacturing, real-estate and services sectors is expected to result in opportunities for Company to expand its business at a steady rate in near future. With hospitality business gaining an organised form with the advent of aggregators in the budget and economy space, the industry players are unanimous in their opinion that it will be technology that will be playing a major role in customer acquisition going forward. It is incumbent on the hotels to keep pace with the latest technology trends and new marketing tools on the online space.

Despite all the trials and tribulations in the socio-political and economic spheres in the country, the hospitality players are not overly concerned but rather hold faith in the future opportunities in the Indian market. They rest their confidence on the rapid urbanisation, improvements in the physical infrastructure demographic changes, and above all the promises and policies of the government.

F. RISKS AND CONCERNS

The risk management philosophy and policy of the company is an embodiment of the Company's approach to understand, measure and manage risk and aims at ensuring sustained growth of healthy asset portfolio. This would entail adopting leadership approach in products and segments well understood by the Company. An innovative approach is undertaken in high-risk areas by taking limited exposure and optimizing return. The Company has robust credit risk framework which provides a scientific method for assessing credit risk rating of a client. Further, the mapping of internal rating grades vis-à-vis external rating agencies' grades has been undertaken. The output of the rating models is used in the decision making. The Company regularly monitors portfolio distribution in terms of Low Risk, Medium Risk and High Risk categories. The Company has been managing the following risk effectively:

Credit risk: Credit risk occurs when borrower(s), as a counter party, fails to meet its contractual obligations. Credit risk applies not only to loans, but also to other on and off-balance sheet exposure such as guarantees, acceptances and investments in securities. Project lending involves certain inherent risks in a developing economy where long-term macro-economic adjustments towards stability are still in progress. Projects under implementation are prone to time and cost overruns, sometimes due to factors beyond the control of the borrower. Project failure may also occur due to adverse market situations and/or mismanagement. Your

PROVESTMENT SERVICES LIMITED

CIN : L74899DL1994PLC058964

Company is making all efforts to identify such risks and factors by constantly reviewing and improving appraisal techniques, sensitivity analysis as well as other factors i.e. Project's ability to withstand changes, expertise and experience of the borrowers to cope with the adverse situations. Your Company continues to give utmost priority to its credit appraisal, intense monitoring and supervision of the projects on a continuous basis.

Interest-rate risk: Interest-rate risks arise out of mismatches between interest-rate-sensitive assets and liabilities. The Company manages such risks by fixing lending interest rates at a level linked to its average cost of borrowings and by constantly monitoring the maturity pattern of its assets and liabilities.

Liquidity risk: Liquidity risk arises out of lack of adequate funds in its day-to-day operations. The Company manages the liquidity risk through prudent resource planning to ensure the availability of adequate funds at all times to meet its obligations on its liabilities as well as disbursements on due dates.

G. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal control system for business processes, with regard to efficiency of operations, financial reporting and controls, compliance with applicable laws and regulations etc., clearly defined roles and responsibilities for all managerial positions have also been institutionalized.

All operating parameters are monitored and controlled. Regular internal audits and checks ensure that responsibilities are executed effectively. The Audit Committee of the Board of Directors periodically reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening these.

The Company has designed and implemented a process driven framework for Internal Financial Controls ("IFC") within the meaning of the explanation to Section 134(5) (e) of the Companies Act, 2013. For the year ended March 31,2018, the Company has sound IFC commensurate with the nature and size of its business operations and is operating effectively and no material weakness exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and/or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

H. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

This has been dealt with in the Directors' Report.

I. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

Financial Services sector is a knowledge intensive sector where employees' skills form a critical aspect in Proper service delivery. The nature of your Company's business requires trained employees. In pursuance of the Company's commitment to develop and retain the best available talent, the Company had been regularly sponsoring the employees for training programmes organized by professional institutions for upgrading the skill and knowledge in different functional areas. Your company has offices in Delhi to provide effective & prompt service to the clients and also for constant follow-up with assisted units in these regions.

ANNEXURE-VI TO DIRECTOR'S REPORT

REPORT ON CORPORATE GOVERNANCE

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate Governance refers to the framework of rules and practices by which the Board of Directors ensures accountability, fairness, and transparency in a Company's relationship with all its stakeholders.

The Company has established a reputation for honesty, integrity, and sound governance. The Company's philosophy on Corporate Governance envisages attainment of the highest levels of transparency, accountability and equity in all facets of its operations and in its interactions with its stakeholders, including shareholders, employees, lenders, and the government. The Company is committed to achieve and maintain the highest standards of Corporate Governance. The Company believes that all its actions must serve the underlying goal of enhancing overall stakeholder value over a sustained period of time. Moreover, the Company is not required to mandatorily comply with the provision of Regulation 17 to Regulation 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations, 2015) as its equity share capital is less than Rs.10 Crore and Net Worth is not exceeding Rs.25 crores, as on the last day of the previous financial year.

BOARD OF DIRECTORS

Corporate Governance practices are shaped by its Board of Directors. The Board is committed to protecting the long-term interests of all our stakeholders, and considering this, it provides objective and prudent guidance to the management. The information relating to procedures, composition, committees, etc. of the Board is provided below.

BOARD PROCEDURES

PROVESTMENT SERVICES LIMITED currently has 06 (Six) Board members which includes 3 Independent Directors (out of which one is Women Director) who are eminent professionals from diverse fields, with expertise in finance, information systems, marketing, and corporate strategy. None of the Independent Directors have any material association with the Group in the past.

The Board meets at least once in a quarter to review the Company's quarterly performance and financial results. Board meetings are governed with a structured agenda. The Board periodically reviews the compliance reports with respect to laws and regulations applicable to the Company. Before the commencement of the Audit Committee meeting, members of the Audit Committee- which entirely consists of Independent Directors- have a discussion with the Statutory Auditors, in the absence of the management team or Whole-time Directors. For all major items, comprehensive Background information is provided to the Board members to enable them to take an informed decision. Once a year, the Board members participate in a strategy meeting, in which it also interacts with the management team of the Company. The Independent Directors also have a meeting amongst themselves, after which they provide their insights to the entire Board and the management team. During the year, the Independent Directors were imparted training programmes.

INDEPENDENT AUDITOR'S REPORT

To the members of Provestment Services Limited

1. Report on the Financial Statements

We have audited the accompanying financial statements of **Provestment Services Limited ("The Company")**, which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters, which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with Standards on Auditing specified under section 143(10) of Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Annexure B to the Auditors' Report (Year 2017-2018)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **Provestment Services Ltd ("The Company")**, as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on "Audit of Internal Financial Controls over Financial Reporting" issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions

SRP & COMPANY

of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

Debt Instrument

PROVESTMENT SERVICES LIMITED

CIN : L74899DL1994PLC058964

- **Financial assets carried at amortized cost (AC)**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories is measured at FVTPL.

Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains or losses to profit or loss as other income when the company rights to receive payment is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other gain/losses in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investment measured at FVOCI are not reported separately from other changes in fair value.

C. **Derecognition of financial instruments**

A financial asset is derecognized only when:

- The company has transferred the rights to receive cash flows from the financial assets or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes contractual obligations to pay the cash flows to one or more recipients.

Where the company transferred the financial assets, the company evaluates whether it has transferred substantially all risks and reward of ownership of the financial assets. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of the ownership of the financial assets, the financial assets is not derecognized.

Where the company retains control of the financial assets, the asset is continued to be recognized to the extent of continuing involvement in the financial assets.

x) **Earnings per share**

Earning per share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year.

PROVESTMENT SERVICES LIMITED

CIN : L74899DL1994PLC058964

xi) Taxes on Income

Current Income Tax

Current Income tax assets and liabilities are measured at the amount expected to be paid to the taxation authorities. The tax rate and tax laws are used to compute are those that are enacted or substantively enacted, at the reporting date together with any adjustments to tax payable in respect of previous years.

Deferred Tax

Deferred Tax is provided on temporary difference between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences to the extent it is probable that future profits will be available against which deductible temporary differences can be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the assets are realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.
